

Dovercourt Recreation Association

Questions for prospective Board Members

Q1. Please outline your involvement with the Dovercourt Recreation Association (DRA).

Q2. DRA is both a charity, and a two million dollar non-profit business. We require a diversity of skills and experience on our board. Please explain the abilities, skills, and experience you bring to DRA. Would you see yourself serving in an executive capacity in the future?

Q3. Directors attend one 3 hour meeting a month, and a day-long annual strategic retreat. In addition, there are many optional committees and board activities which may require several more hours per month. A term on the Board is 3 years, and Directors may serve one or two terms. How do you anticipate making time to meet these commitments?

Q4. How do you expect to benefit from serving on the Board at Dovercourt?

Q5. Please indicate your motivation for wanting to volunteer on the Dovercourt Board, or state your vision for this Association over the next three to six years.
