

Dovercourt Gallery Exhibition Application

The **Dovercourt Recreation Association** is pleased to offer an exhibition opportunity for local artists in Ottawa's busiest community centre. The centre, located at 411 Dovercourt Avenue has a large wall space in the lobby. The Gallery is available for one-month exhibitions beginning on the first Monday of each Month, at a cost of \$100.00 per month. Artists may sell their works and are encouraged to post contact information for prospective buyers and suggested prices with their works.

Artists exhibiting are asked to consider that the centre is a busy family-oriented centre and to choose the art for exhibition suitable for an audience of all ages. DRA reserves the right to deem a work not suitable for exhibition in our venue. Artists may propose an alternative to the \$100 fee such as a donated work, volunteering at the center, etc., if the cost is an obstacle.

Please submit your application to John Rapp, Executive Director at jrapp@dovercourt.org. If possible, please attach an electronic image of one of your works and a short biography that we can post on our web site, and a web site where we can preview your work. Thanks you for your interest in sharing your art with our community!
