## Junior Counsellor Application Form

Junior Counsellors are used throughout our camp programs to assist in program delivery and supervision. In return, you receive the critical “experience” sought by employers and parents of children who would be in your care. You also receive an end of summer performance appraisal as well as ongoing feedback and coaching from our staff to help you gain the most from your time. Junior Counsellors receive a \$75 honorarium each week. Each applicant will be contacted and scheduled to be evaluated through a Screening process.

### Dovercourt Recreation Centre
