Independent Auditor's Report

To the Members of Dovercourt Recreation Association

Opinion

We have audited the financial statements of Dovercourt Recreation Association (the "Association") which comprise the balance sheet as at December 31, 2022, and the statements of changes in net assets, operations and cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Association as at December 31, 2022, and the results of its operations and its cash flows for the year then ended in accordance with Canadian Accounting Standards for Not-for-Profit Organizations.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Association in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian Accounting Standards for Not-for-Profit Organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Association's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Association or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Association's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- ◆ Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- ◆ Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Association's internal control.
- ◆ Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- ◆ Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Association's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Association to cease to continue as a going concern.
- ◆ Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Dovercourt Recreation Association Notes to the Financial Statements

December 31, 2022

Nature of Operations

Dovercourt Recreation Association (the "Association") was incorporated in December 1977. It is a registered charity, non-taxable organization and operates the Dovercourt Recreation Centre, a building constructed and owned by the City of Ottawa. It provides recreational and leisure services to the Dovercourt community through committed, professional employees and dedicated community volunteers; high quality, creative and progressive programming; and healthy, safe and friendly environments in which all may thrive.

The City provides funding, which will vary from year to year, to the Association to defray annual operating costs. The city also pays directly certain costs of operating the building such as heat, water, electricity and repairs.

The Association provides a variety of programs for which registration fees are charged to participants.

1. Significant Accounting Policies

Basis of Presentation

The financial statements were prepared in accordance with Canadian Accounting Standards for Not-for-Profit Organizations which are part of Canadian generally accepted accounting principles and include the following significant accounting policies.

Management Responsibility and Use of Estimates

The financial statements of the Association are the responsibility of management and are prepared in accordance with Canadian Accounting Standards for Not-for-Profit Organizations. Since precise determination of many assets and liabilities at the financial statement date and the reported amount of revenues and expenses during the reporting period is dependent on future events, the preparation of periodic financial statements necessarily involves the use of estimates and approximations. These have been made using careful judgements, however actual results could differ from management's best estimates and assumptions as additional information becomes available in the future.

Significant estimates include assumptions used in estimating the collectibility of accounts receivable, the useful life and related amortization of capital assets and provisions for certain accrued liabilities.

Financial Instruments

Financial instruments are financial assets or liabilities of the Association where, in general, the Association has the right to receive cash or another financial asset from another party or the Association has the obligation to pay another party cash or other financial asset.

Dovercourt Recreation Association

Notes to the Financial Statements

December 31, 2022

1. Significant Accounting Policies (continued)

Financial Instruments (continued)

Measurement of arm's length financial instruments

The Association initially measures its arm's length financial assets and liabilities at fair value. The Association subsequently measures arm's length financial assets and financial liabilities at amortized cost, except for investments in equity instruments that are quoted in an active market, which are measured at fair value. Changes in fair value are recognized in excess of revenue over expenses.

Arm's length financial assets and financial liabilities measured at amortized cost include cash, accounts receivable, and accounts payable and accrued liabilities.

There are no financial assets or financial liabilities measured at fair value.

Impairment

Financial assets measured at cost are tested for impairment when there are indicators of impairment. The amount of the write-down, if any, is recognized in excess of revenue over expenses. The previously recognized impairment loss may be reversed, to the extent of the improvement, directly or by adjusting the allowance account. The reversal may be recorded provided it is no greater than the amount that had been previously reported as a reduction in the asset and it does not exceed original cost. The amount of the reversal is recognized in excess of revenue over expenses.

Transaction costs

The Association recognizes its transaction costs in excess of revenue over expenses in the period incurred. However, the arm's length financial instruments that will not be subsequently measured at fair value are adjusted by the transaction costs that are directly attributable to their origination, issuance or assumption.

Revenue Recognition

The Association follows the deferral method of accounting for contributions. Restricted contributions are recognized as revenue in the year in which the related expenses are incurred. Restricted contributions for the purchase of tangible capital assets are deferred and recognized as revenue on the same basis as the amortization expense related to the tangible capital assets. Unrestricted contributions are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

Dovercourt Recreation Association

Notes to the Financial Statements

December 31, 2022

1. **Significant Accounting Policies (continued)**

Revenue Recognition (continued)	Program revenue, other revenue, and unrestricted investment income are recognized as revenue when earned.																		
Government Assistance	During the year the Association applied for financial assistance under government incentive programs. The Association recognizes these incentives as government assistance when there is reasonable assurance that the Association has complied with the conditions for receipt of such assistance.																		
Tangible Capital Assets	<p>Purchased tangible capital assets are recorded at cost. Contributed tangible capital assets are recorded at fair value at the date of contribution. Amortization is based on the estimated useful life of the asset and is provided as follows:</p> <table><tr><td>Facility expansion</td><td>Straight-line</td><td>20 years</td></tr><tr><td>Equipment</td><td>Straight-line</td><td>3-10 years</td></tr><tr><td>Contributed van</td><td>Straight-line</td><td>5 years</td></tr><tr><td>Furniture and fixtures</td><td>Straight-line</td><td>3-5 years</td></tr><tr><td>Computers</td><td>Straight-line</td><td>3 years</td></tr><tr><td>Facility improvements</td><td>Straight-line</td><td>3-20 years</td></tr></table> <p>Tangible capital assets that cost less than \$1,000 are charged to expense in the year of acquisition.</p> <p>Artwork is not being amortized as it was determined to have an unlimited useful life.</p>	Facility expansion	Straight-line	20 years	Equipment	Straight-line	3-10 years	Contributed van	Straight-line	5 years	Furniture and fixtures	Straight-line	3-5 years	Computers	Straight-line	3 years	Facility improvements	Straight-line	3-20 years
Facility expansion	Straight-line	20 years																	
Equipment	Straight-line	3-10 years																	
Contributed van	Straight-line	5 years																	
Furniture and fixtures	Straight-line	3-5 years																	
Computers	Straight-line	3 years																	
Facility improvements	Straight-line	3-20 years																	
Intangible Asset	Intangible asset is recorded at cost. The Association provides for amortization using the straight-line method at rates designed to amortize the cost of the intangible asset over its estimated useful life. Intangible asset consists of computer software, which is expected to have a useful life of 5 years. One-half of the amortization rate is used in the year of acquisition.																		
Contributed Materials and Services	Contributed materials and services which are used in the normal course of the Association's operations and would otherwise have been purchased are recorded at their fair value at the date of contribution if fair value can be reasonably estimated.																		
Deferred Revenue	Registration fees received for programs which have not commenced at December 31st are recorded as deferred revenue.																		

Dovercourt Recreation Association

Notes to the Financial Statements

December 31, 2022

1. Significant Accounting Policies (continued)

Internally Restricted Net Assets

A portion of the Association's net assets has been restricted in accordance with specific directives as approved by the Association's board of directors. The purpose of each is as follows:

Invested in Tangible Capital and Intangible Assets

Invested in tangible capital and intangible assets comprises the net book value of capital assets.

Restricted Reserve Fund

Designated for obligations of the Association to be used at the discretion of the board of directors. The intended use of the reserve is security against financial insolvency.

All expenses from the restricted reserve fund must be approved by the board of directors.

2. Cash

The Association has available to it a line of credit with a limit of \$200,000 with TD bank. The line is secured by a general security agreement constituting a first ranking security interest in all property of the association and bears interest at bank prime rate plus 2%. Any amounts drawn on this facility are due on demand. \$nil was outstanding on this line of credit at year end.

The Association also has available to it credit cards with an aggregate credit limit of \$50,000, of which \$4,967 was utilized at year-end.

Dovercourt Recreation Association Notes to the Financial Statements

December 31, 2022

5. Deferred Contributions

Deferred contributions represents funds received in the current year that relates to operations of the subsequent year.

	Balance, beginning of year	Received	Recognized	Balance, end of year
Kichi Sibi winter trail	\$ 137,049	\$ 43,825	\$ (69,181)	\$ 111,693

6. Loan Payable

In 2020, the Association received a \$350,000 interest-free loan from the City of Ottawa, repayable on October 2023. Under the loan agreement, the loan will be interest-free until October 2023, with the principle amount being due at this time. If not repaid by October 2023, interest will accrue on any balance outstanding on the principle amount at a rate equal to prime plus 2%.

7. Deferred Contributions Related to Tangible Capital Assets

Deferred contributions related to tangible capital assets represents a donated tangible capital asset, as well as contributions received to fund the facility expansion.

	2022	2021
Balance, beginning of year	\$ 1,465,034	\$ 1,437,879
Contributions received	-	125,775
	1,465,034	1,563,654

Balance, end of year	\$ 1,370,798	\$ 1,465,034

Dovercourt Recreation Association Notes to the Financial Statements

December 31, 2022

8. Government Assistance

During the year, the Association received \$244,465 of funding under the Tourism and Hospitality Recovery Program ("THRP") relief program established by the Federal Government of Canada. The subsidy program is meant to assist businesses and organizations that saw large drops in revenue, in established periods, as a result of the impacts the COVID-19 pandemic. The purpose of the funding is to help organizations maintain the employment of their staff through covering payroll costs.

The Association received funding in the amount of \$172,248 (2021 - \$176,438) from other government sources. This funding has been included in program revenue on the statement of operations, and in recreation revenue in Schedule 1 - Programs.

The Association also received funding from the City of Ottawa, as described in Note 9 to these financial statements.

The Government of Canada maintains the right to audit the claims supporting these contributions. Request for repayment of contributions, if any, will be recorded in the year the government provides notification to the Association.

9. City of Ottawa Funding

Total funding received from the City of Ottawa during the year was as follows:

	<u>2022</u>	<u>2021</u>
Community Funding Program	\$ 427,924	\$ 419,925
Outdoor Rink Grant	5,064	9,517
	<u>\$ 432,988</u>	<u>\$ 429,442</u>

10. Commitments

The Association has entered into a services contract for its registration software and is committed to an annual payment of \$52,000 plus HST until June 2024.

Dovercourt Recreation Association

Notes to the Financial Statements

December 31, 2022

11. Financial Instruments Risks and Concentrations

The Association is exposed to various risks through its financial instruments. The following analysis provides a measure of the Association's risk exposure and concentrations as at December 31, 2022.

Market risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: currency risk, interest rate risk and other price risk. The Association is not exposed to any significant market risk.

Credit risk

Credit risk is the risk that one party to a financial instrument will cause a financial loss for the other party by failing to discharge an obligation. The Association is exposed to credit risk in the event of non-payment by their customers for their accounts receivable.

Liquidity risk

Liquidity risk is the risk that the Association will encounter difficulty in meeting obligations associated with financial liabilities. The Association is exposed to this risk mainly in respect of its accounts payable and accrued liabilities.

Changes in risk

There have been no significant changes in the Association's risk exposures from the previous fiscal year.

12. Comparative Amounts

The financial statements have been reclassified, where applicable, to conform to the presentation used in the current year. The changes do not affect prior year earnings.
